

Superior Energy Services, Inc. to Present at the IPAA Oil & Gas Investment Symposium

April 10, 2006

HARVEY, La.--(BUSINESS WIRE)--April 10, 2006--Superior Energy Services, Inc. (NYSE: SPN) plans to make a presentation to the investment community at the IPAA Oil & Gas Investment Symposium on Wednesday, April 12, 2006 at 10 a.m. Eastern Time.

The presentation will be webcast live. To access the presentation, visit the presentation page of the investor relations section of Superior's website at www.superiorenergy.com, or access the following link prior to the presentation: <http://www.vcall.com/CEPage.asp?ID=102985>. During the presentation, management expects to address developments and opportunities in certain business segments and address its strategy going forward.

Superior Energy Services, Inc. is a leading provider of specialized oilfield services and equipment focused on serving the production-related needs of oil and gas companies primarily in the Gulf of Mexico and the drilling-related needs of oil and gas companies in the Gulf of Mexico and select international market areas. The Company uses its production-related assets to enhance, maintain and extend production and, at the end of an offshore property's economic life, plug and decommission wells. Superior also owns and operates mature oil and gas properties in the Gulf of Mexico.
