

Superior Energy Services to Present at The Oil & Gas Conference

August 22, 2007

HARVEY, La., Aug. 22 /PRNewswire-FirstCall/ -- Superior Energy Services, Inc. (NYSE: SPN) announced today that Terry Hall, Chairman and Chief Executive Officer, will present at The Oil & Gas Conference hosted by EnerCom Inc. in Denver.

Superior Energy's presentation will be webcast live on Thursday, August 23, at 9:15 a.m. Mountain Time (11:15 a.m. Eastern Time). To listen to the audio webcast and view accompanying presentation materials, visit the Investor Relations section of Superior Energy's web site at <http://www.superiorenergy.com>. A replay will be archived on the web site shortly after the presentation concludes.

Superior Energy Services, Inc. serves the drilling-related needs of oil and gas companies primarily through its rental tools segment and the production-related needs of oil and gas companies through its well intervention, rental tools and marine segments. The Company uses its production-related assets to enhance, maintain and extend existing production and, at the end of a property's economic life, plug and abandon wells and decommission platforms and structures. Superior also owns and operates mature oil and gas properties in the Gulf of Mexico.
