

Superior Energy Services Receives Notice From NYSE Regarding Continued Listing Standard

March 30, 2020

HOUSTON, March 30, 2020 /PRNewswire/ -- Superior Energy Services, Inc. (NYSE: SPN) (the "Company") today announced it has received written notice ("Notice") from the New York Stock Exchange (the "NYSE") that the Company is not in compliance with the NYSE continued listing standard set forth in Rule 802.01B of the NYSE Listed Company Manual, which requires the average global market capitalization over a consecutive 30 trading-day period to be greater than or equal to \$50,000,000, unless at the same time the stockholders' equity is equal to or greater than \$50,000,000.

In accordance with applicable NYSE procedures, the Company plans to submit a plan to regain compliance with the NYSE continued listing standards within 18 months. The Company will submit the plan to the NYSE within 45 days of its receipt of the Notice. The Notice has no immediate impact on the listing of the Company's common stock, which will continue to trade on the NYSE.

About Superior Energy Services

Superior Energy Services (NYSE: SPN) serves the drilling, completion and production-related needs of oil and gas companies worldwide through a diversified portfolio of specialized oilfield services and equipment that are used throughout the economic life cycle of oil and gas wells. This press release includes forward-looking statements as defined under federal law, including, but not limited to, those related to the company's intention to regain compliance with the NYSE continued listing standards. These forward-looking statements are generally identified by the words "believe," "expect," "anticipate," "estimate," "intend," "plan," "may," "should," "could," "will," "would," and "will be," and variations of such words and similar expressions, although not all forward-looking statements contain these identifying words. Such statements are subject to significant risks, assumptions and uncertainties. Known material factors that could cause the Company's actual results to differ materially from the results contemplated by such forward-looking statements are described in the forward looking statements and risk factors in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2019 and those risk factors set forth from time to time in other filings with the Securities and Exchange Commission. The Company undertakes no obligation to correct or update any forward-looking statement, whether as a result of new information, future events, or otherwise, except to the extent required under federal securities laws.
