

Superior Energy Services to Webcast Upcoming Presentation at Morgan Keegan Energy Conference

September 4, 2001

HARVEY, La., Sep 4, 2001 (BUSINESS WIRE) -- Superior Energy Services, Inc. (NYSE:SPN) will participate in the 11th Annual Morgan Keegan Energy Conference, which will be held September 10-11 in New York. Terry Hall, Chairman, President and CEO of Superior Energy Services will discuss the company's recent business developments and market opportunities.

In conjunction with this appearance, Superior Energy Services will broadcast its live conference presentation over the internet on Monday, September 10 at 2:35 p.m. Eastern Time. Listeners can hear the presentation and view the slides at that time by going to www.twst.com/econf/mm/mk/spn.html. The webcast is also available from Superior's website at www.superiorenergy.com.

Superior Energy Services, Inc. provides a broad range of specialized oilfield services and equipment primarily to major and independent oil and gas companies engaged in the exploration, production and development of oil and natural gas properties offshore in the Gulf of Mexico and throughout the Gulf Coast region. These services and equipment include the rental of liftboats, rental of specialized oilfield equipment, electric and mechanical wireline services, well plug and abandonment services, coiled tubing services and engineering services. Additional services provided include contract operating and supplemental labor, offshore construction and maintenance services, offshore and dockside environmental cleaning services, the manufacture and sale of drilling instrumentation and the manufacture and sale of oil spill containment equipment.
