Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(d) At a meeting on May 21, 2010, the Board of Directors of Superior Energy Services, Inc. (the “Company”) voted to expand the size of the Board from six to seven directors and appointed David D. Dunlap, the Chief Executive Officer of the Company, as a director of the Company, effective May 21, 2010.

As previously disclosed, the Company and Mr. Dunlap entered into an Employment Agreement in conjunction with his appointment as Chief Executive Officer on April 28, 2010. Mr. Dunlap will not receive any additional compensation or benefits in connection with his appointment as a director of the Company.

(e) The Company previously reported that Kenneth L. Blanchard agreed to voluntarily terminate his employment as President and Chief Operating Officer in December 2010, following which he will transition to the position of senior advisor for a two year period. At their respective meetings held on May 21, 2010, the Compensation Committee of the Board of Directors and the Board of Directors reviewed the forms and amount of compensation provided to Mr. Blanchard during his career with the Company. Mr. Blanchard has served as the Company’s President since November 2004, as its Chief Operating Officer since June 2002 and as one of the key members of the Company and its predecessor since their inception. During this time, Mr. Blanchard was instrumental in leading the Company through tremendous growth and strong financial performance through all industry cycles. The Company went public in December 1995. During 1996, the Company had approximately 165 employees and generated revenues of \$23.6 million. Since that time, the Company has grown to more than 4,800 employees in more than 150 locations in 20 countries, with revenues of approximately \$1.45 billion in 2009. In light of the contributions that Mr. Blanchard has made to the success of the Company during his tenure, the Board, at the recommendation of the Compensation Committee, determined that Mr. Blanchard should be adequately compensated for his efforts and approved the benefits for Mr. Blanchard described below.

On May 21, 2010, Mr. Blanchard was awarded a discretionary bonus award of \$1,900,000 and 297,030 options to purchase shares of the Company’s common stock which vest in three equal annual installments. Upon his expected resignation as President and Chief Operating Officer in December 2010, Mr. Blanchard will also receive an additional credit under the Company’s Supplemental Executive Retirement Plan (the “SERP”) of \$4,675,500. The aggregate value of Mr. Blanchard’s SERP account, including the additional credit, will be paid in accordance with Mr. Blanchard’s previous distribution election under the SERP, subject to any further delays required by Section 409A of the Internal Revenue Code. The aggregate value of Mr. Blanchard’s benefits under the SERP, together with the retirement benefits due Mr. Blanchard under the Company’s 401(k) plan, is projected to provide an income replacement of approximately 40% of his final five-year average base salary plus annual cash bonus. Additionally, effective upon his termination of employment as President and Chief Operating Officer in December 2010, the vesting of all of Mr. Blanchard’s outstanding stock options and

restricted stock will be accelerated, except with respect to the 297,030 options granted to Mr. Blanchard on May 21, 2010.
