SUPERIOR ENERGY SERVICES ANNOUNCES AMENDED EXCHANGE OFFER AND CONSENT SOLICITATION FOR SENIOR NOTES OF SESI, L.L.C.

Houston, January 31, 2020 – Superior Energy Services, Inc. (“Superior Energy”) (NYSE: SPN) today announced that its wholly owned subsidiary, SESI, L.L.C. (“SESI” or the “Issuer”), has amended certain terms of its previously announced offer to exchange its Original Notes to provide for an offer to exchange \$635 million of its \$800 million aggregate principal amount of its outstanding 7.125% Senior Notes due 2021 (the “Original Notes”) for \$635 million of newly issued 7.125% Senior Notes due 2021 (the “New Notes”) (as amended as described below, the “Exchange Offer”), upon the terms and subject to the conditions set forth in SESI’s offering memorandum and consent solicitation statement, dated as of January 6, 2020 (as amended by the press releases dated January 16, 2020 and January 22, 2020 and Supplement No. 1 to the Offering Memorandum and Consent Solicitation Statement, dated as of January 31, 2020, and as may be further amended or supplemented from time to time, the “Offering Memorandum and Consent Solicitation Statement”). SESI has amended the Exchange Offer in connection with its previously announced agreement in principle with a steering committee (the “Steering Committee”) of holders of approximately 34% of the outstanding Original Notes. The Steering Committee is also working together with other noteholders (collectively with the Steering Committee, the “Ad Hoc Group”) and the Ad Hoc Group owns approximately 60% of the aggregate principal amount of outstanding Original Notes. All capitalized terms used but not defined in this press release have the meanings given to them in Superior Energy’s press release announcing the commencement of the Exchange Offer and Consent Solicitation, dated January 6, 2020 or the Offering Memorandum and Consent Solicitation Statement, as applicable.

In connection with the Exchange Offer, SESI is also soliciting consents (the “Consent Solicitation” and, together with the Exchange Offer, the “Exchange Offer and Consent Solicitation”) from

eligible holders of the Original Notes to amend (the “Proposed Amendment”) the indenture dated December 6, 2011, governing the Original Notes (the “Original Notes Indenture”), upon the terms and subject to the conditions set forth in the Offering Memorandum and Consent Solicitation Statement, to amend the liens covenant in the Original Notes Indenture to permit the issuance of the Superior Secured Notes (as defined and described below). If the Proposed Amendment is adopted, the Original Notes will be governed by the Original Notes Indenture, as amended by the Proposed Amendment.

Pursuant to the amended Exchange Offer:

- SESI is offering to exchange \$635 million of its \$800 million aggregate principal amount of outstanding Original Notes for \$635 million of New Notes as described in the table below:

<u>CUSIP/ISIN</u>	<u>Title of Original Notes</u>	<u>Outstanding Principal Amount</u>	<u>Title of New Notes</u>	<u>Interest Rate of New Notes</u>	<u>Total Consideration (per \$1,000 of Original Notes)*</u>	<u>Total Consent Payment</u>
78412FAP9/ US78412FAP99	7.125% Senior Notes due 2021 issued by the Issuer	\$800,000,000	7.125% Senior Notes due 2021 issued by the Issuer	7.125%	\$1,000 principal amount of New Notes	Cash payment of \$10.00 per \$1,000 of Original Notes**

* Subject to proration.

** Eligible holders who validly tender their Original Notes prior to the Expiration Time will be entitled to receive an aggregate cash payment of \$6.35 million divided by the total amount of Original Notes validly tendered and accepted for exchange in the Exchange Offer (the “Total Consent Payment”). The Total Consent Payment shall not be made if the Combination Exchange does not occur.

- The Expiration Time has been extended from 11:59 p.m., New York City time, on February 10, 2020 to 11:59 p.m., New York City time on February 13, 2020;
- The Exchange Offer is conditioned upon the valid tender, by the Expiration Time, of at least \$635 million aggregate principal amount of Original Notes and, therefore, the receipt of consents from eligible holders of over a majority of the aggregate principal amount of the Original Notes outstanding to amend (the “Proposed Amendment”) the liens covenant in the indenture governing the Original Notes to permit the issuance of the Superior Secured Notes as defined and described below;
- At the settlement of the Combination Exchange, eligible holders will receive, in exchange for \$635 million aggregate principal amount of New Notes held by such holders at the Combination Exchange Date and accepted for exchange on a pro rata basis: (i) \$250 million principal amount of 9.750% Senior Second Lien Secured Notes due 2025 to be issued by Spieth Newco, Inc. (“Newco” and such notes, the “Newco Secured Notes”), (ii) \$250 million principal amount of 8.750% Senior Second Lien Secured Notes due 2026 to be issued by SESI (the “Superior Secured Notes”), (iii) \$135 million in cash and (iv) \$6.35 million in cash constituting the Total Consent Payment;
- The aggregate principal amount of Newco Secured Notes to be issued in connection with the Combination Exchange is \$250 million;
- The aggregate principal amount of Superior Secured Notes to be issued in connection with the Combination Exchange is \$250 million;
- Subject to certain exceptions and exclusions, so long as the aggregate principal amount of outstanding Newco Secured Notes exceeds \$150 million, and in the event that during any semi-annual period commencing on July 1, 2020, excess cash flow (to be described in the

Offering Memorandum and Consent Solicitation Statement) for such period is positive, Newco will be required, on March 15 and September 15 of each year beginning with March 15, 2021, to make an offer to all holders of Newco Secured Notes to purchase the maximum principal amount of Newco Secured Notes that may be purchased with an amount equal to 75% of excess cash flow for the semi-annual period then ended until the aggregate principal amount of outstanding Newco Secured Notes is less than \$150.0 million and Newco has a total leverage ratio of less than 2.0 to 1.0; and

- If any of SESI's 7.750% Senior Notes due 2024 (the "2024 Notes") are outstanding 91 days prior to September 15, 2024 (the "Springing Maturity Date"), then the Superior Secured Notes will mature on the Springing Maturity Date.

In addition to the terms referenced above, the indenture governing the Newco Secured Notes will contain restrictive covenants customary for issuances of high-yield secured notes of this type, and the indenture governing the Superior Secured Notes will contain restrictive covenants customary for issuances of high-yield secured notes of this type.

The settlement date for the Exchange Offer will occur promptly after the Expiration Time and is expected to be the second business day after the Expiration Time.

The Exchange Offer and Consent Solicitation is being conducted in connection with Superior Energy's previously announced entry into a definitive agreement to divest its U.S. service rigs, coiled tubing, wireline, pressure control, flowback, fluid management and accommodations service lines and combine them with Forbes Energy Services Ltd.'s (OTCQX: FLSS) complementary service lines to create a new, publicly traded consolidation platform for U.S. completion, production and water solutions (the "Combination"). The consummation of the Exchange Offer is a condition of the Combination; however, the consummation of the Combination is not a condition of the Exchange Offer and Consent Solicitation.
