**SUPERIOR ENERGY SERVICES ANNOUNCES FURTHER EXTENSION
OF EXPIRATION TIME AND WAIVER OF MINIMUM TENDER
CONDITION FOR EXCHANGE OFFER AND CONSENT SOLICITATION
FOR SENIOR NOTES OF SESI, L.L.C.**

Houston, February 14, 2020 – Superior Energy Services, Inc. (“Superior Energy”) (NYSE: SPN) today announced that its wholly owned subsidiary, SESI, L.L.C. (“SESI”), has elected to further extend the expiration time (as extended, the “Expiration Time”) for its previously announced offer to exchange (the “Exchange Offer”) \$635 million of its \$800 million aggregate principal amount of outstanding 7.125% Senior Notes due 2021 (the “Original Notes”) for \$635 million of newly issued 7.125% Senior Notes due 2021 (the “New Notes”), upon the terms and subject to the conditions set forth in SESI’s offering memorandum and consent solicitation statement, dated as of January 6, 2020 (as amended and supplemented by the press release dated January 16, 2020, January 22, 2020 and January 31, 2020 issued by Superior Energy and the Supplement No. 1 to the Offering Memorandum and Consent Solicitation Statement, dated January 31, 2020, as so amended, the “Offering Memorandum and Consent Solicitation Statement”). All capitalized terms used but not defined in this press release have the meanings given to them in Superior Energy’s press release announcing the commencement of the Exchange Offer and Consent Solicitation, dated January 6, 2020 or the Offering Memorandum and Consent Solicitation Statement, as applicable. As of 11:59 p.m., New York City time, on February 13, 2020, approximately \$610.27 million, or 76.28% of the aggregate principal amount of Original Notes outstanding, had been validly tendered and not validly withdrawn pursuant to the Exchange Offer and Consent Solicitation.

The Expiration Time of the Exchange Offer has been further extended from 11:59 p.m., New York City time, on February 13, 2020, to 5:00 p.m., New York City time, on February 18, 2020. The settlement date for the Exchange Offer will occur promptly after the Expiration Time and is expected to be the second business day after the Expiration Time (such date, the “Settlement Date”).

SESI has also elected to waive the condition of the Exchange Offer that, by the Expiration Time, at least \$635.0 million (the “Exchange Offer Maximum Amount”) aggregate principal amount of Original Notes have been tendered. Rather, SESI has elected to accept for exchange no less than \$610.0 million (the “Exchange Offer Minimum Amount”) aggregate principal amount of Original Notes but no greater than the Exchange Offer Maximum Amount of Original Notes on the Settlement Date. At the settlement of the Combination Exchange, an amount equal to the difference between the Exchange Offer Minimum Amount and the aggregate principal amount of Original Notes tendered as of the Expiration Time (up to the Exchange Offer Maximum Amount) will reduce (i) the aggregate principal amount of Newco Secured Notes issued, (ii) the aggregate principal amount of Superior Secured Notes issued and (iii) the Cash Component, in each case, on a pro rata basis.

Pursuant to the terms of the Exchange Offer, tenders of Original Notes (and related consents delivered pursuant to SESI’s related solicitation of consents (the “Consent Solicitation”) from eligible holders of the Original Notes to amend (the “Proposed Amendment”) the liens covenant in the indenture dated December 6, 2011, governing the Original Notes upon the terms and subject to the conditions set forth in the Offering Memorandum) may be validly withdrawn (the “Withdrawal Deadline”) at or prior to the date on which holders of at least a majority of the aggregate principal amount of the Original Notes outstanding consent to the Proposed Amendment (the “Requisite Consents”) and the supplemental indenture (the “Supplemental Indenture”) related to the Proposed Amendment is executed. Because the Requisite Consents have been received and the Supplemental Indenture has been executed, the Withdrawal Deadline has occurred as of the date hereof.

Except as described in this press release, all other terms of the Exchange Offer and Consent Solicitation remain unchanged.

The Exchange Offer and Consent Solicitation is being conducted in connection with Superior Energy’s previously announced entry into a definitive agreement to divest its U.S. service rigs, coiled tubing, wireline, pressure control, flowback, fluid management and accommodations service lines and combine them with Forbes Energy Services Ltd.’s (OTCQX: FLSS) complementary service lines to create a new, publicly traded consolidation platform for U.S. completion, production and water solutions (the “Combination”). The consummation of the Exchange Offer is a condition of the Combination; however, the consummation of the Combination is not a condition of the Exchange Offer and Consent Solicitation.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy, nor shall there be any sale of the New Notes, Newco Secured Notes or Superior Secured Notes in any jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. In addition, this press release is neither an offer to purchase nor a solicitation of an offer to sell any Original Notes in the Exchange

Offer or a solicitation of any consents to the Proposed Amendment. The New Notes, Newco Secured Notes and Superior Secured Notes have not been registered under the Securities Act or any state securities laws and, unless so registered, may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. The New Notes, Newco Secured Notes and Superior Secured Notes will only be offered and sold to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act and to non-U.S. persons in transactions outside the United States pursuant to Regulation S under the Securities Act.

These forward-looking statements rely on a number of assumptions concerning future events and are subject to a number of uncertainties and factors, many of which are outside the control of Superior Energy Services, Inc. Among the factors that could cause results to differ materially from those indicated by such forward-looking statements are: the failure to realize the anticipated costs savings, synergies and other benefits of the transaction; the possible diversion of management time on transaction-related issues; the risk that the requisite approvals to complete the transaction are not obtained or other closing conditions are not satisfied; local, regional and national economic conditions and the impact they may have on Superior, Forbes, Newco and their customers; conditions in the oil and gas industry, especially oil and natural gas prices and capital expenditures by oil and gas companies; the debt obligations of Superior and Newco following the transaction and the potential effect of limiting Superior’s and/or Newco’s ability to fund future growth and operations and increasing their respective exposure to risk during adverse economic conditions; the financial condition of Superior’s and Newco’s customers; any non-performance by customers of their contractual obligations; changes in customer, employee or supplier relationships resulting from the transaction; changes in safety, health, environmental and other regulations; the results of any reviews, investigations or other proceedings by government authorities; and the potential additional costs relating to any reviews, investigations or other proceedings by government authorities or shareholder actions.
