PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

April 16, 2003

THIS PROXY STATEMENT IS BEING MAILED TO OUR STOCKHOLDERS ON OR ABOUT APRIL 16, 2003.

WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

At the annual meeting, our stockholders will vote on the election of our directors.

WHEN AND WHERE WILL THE MEETING BE HELD?

The meeting will be held on Monday, May 19, 2003, 12:00 p.m., at 201 St. Charles Avenue, 52nd Floor, New Orleans, Louisiana 70170.

WHO IS SOLICITING MY PROXY?

Our Board of Directors is soliciting your vote for our 2003 annual meeting of stockholders. By completing and returning the proxy card, you are authorizing the proxy holder to vote your shares at our annual meeting as you have instructed him on the card.

WHY AM I RECEIVING THIS PROXY STATEMENT?

You are receiving this proxy statement because you owned shares of our common stock at the close of business on March 31, 2003, the record date for the meeting.

HOW MANY VOTES DO I HAVE?

You have one vote for every share of our common stock that you owned on the record date.

HOW MANY VOTES CAN BE CAST BY ALL STOCKHOLDERS?

As of the record date, we had 73,836,859 shares of common stock outstanding.

HOW MANY SHARES MUST BE PRESENT TO HOLD THE MEETING?

Our Bylaws provide that a majority of the outstanding shares of stock entitled to vote constitutes a quorum at a meeting of our stockholders. As of the record date, 36,918,430 shares constitute a majority of our outstanding stock entitled to vote at the meeting. Shares that are voted, that are unvoted, also known as broker non-votes, and for which voting authority is withheld are treated as being present at the annual meeting for purposes of determining whether quorum is present.

WHAT ARE THE VOTING PROCEDURES?

Our Bylaws provide that directors are elected by a plurality of the votes cast by the shares at a meeting at which quorum is present.

HOW DO I VOTE?

You may vote either by proxy or in person at the annual meeting.

To vote by proxy, just complete and sign the enclosed proxy card, and return it in the enclosed prepaid and addressed envelope.

If you want to vote in person, we will distribute written ballots at the annual meeting. However, if you hold your shares of our common stock through a securities broker in street name, you must request a proxy from your broker and bring that proxy to the meeting in order to vote.

CAN I CHANGE MY VOTE?

Yes. Your proxy can be revoked or changed at any time before it is voted by notice in writing to our Secretary, by our timely receipt of another proxy with a later date or by voting in person at the meeting.

WHAT IF I DON'T VOTE FOR A MATTER LISTED ON MY PROXY CARD?

If you return the proxy card without indicating your vote for a director, your shares will be voted FOR each of the nominees listed on your card.

CAN MY SHARES BE VOTED IF I DON'T RETURN THE PROXY CARD AND DO NOT ATTEND THE MEETING IN PERSON?

With respect to your shares held through a broker in street name, your broker may vote those shares. Brokerage firms have authority under the New York Stock Exchange rules to vote customers' unvoted shares on some "routine" matters, including the election of directors. If you do not give a proxy to vote your shares and do not attend the meeting and vote your shares in person, your brokerage firm may either vote your shares on the matter of election of our directors in its discretion or leave your shares unvoted. Unvoted shares, also known as broker non-votes, will have no effect on the election of directors.

If you don't vote the shares held in your name, your shares will not be voted.

WHO PAYS FOR SOLICITING PROXIES?

We are paying for all costs of soliciting proxies. In addition to solicitation by mail, our officers and employees may request the return of proxies by personal conversation or by telephone or telecopy. We are also requesting that banks, brokerage houses and other nominees or fiduciaries forward the soliciting material to their principals and that they obtain authorization for the execution of proxies. We will reimburse them for their expenses.

COULD OTHER MATTERS BE DECIDED AT THE MEETING?

The Board does not expect to bring any other matter before the annual meeting, and it is not aware of any other matter that may be considered at the meeting. In addition, pursuant to our Bylaws, time has elapsed for any stockholder to properly bring a matter before the meeting. However, if any other matter does properly come before the meeting, the proxy holder will vote the proxies in his discretion.

WHAT HAPPENS IF THE MEETING IS POSTPONED OR ADJOURNED?

Your proxy will still be good and may be voted at the postponed or adjourned meeting. You will still be able to change or revoke your proxy until it is voted.

ELECTION OF DIRECTORS

The size of our Board has been fixed at six directors. Proxies cannot be voted for a greater number of persons. Unless you specify otherwise in your proxy card, your shares will be voted by the proxy holder FOR the election of each of the six nominees named below to serve until the next annual meeting and until their successors are duly elected and qualified. If any nominee should decline or be unable to serve for any reason, votes will be cast for a substitute nominee designated by the Board. The nominees have advised us that they will serve on the Board if elected.

MEETINGS OF THE BOARD

There were four Board meetings in 2002. Each director attended at least 75% of the meetings of the Board and the committees of which he was a member.

BOARD COMMITTEES

Our Board has, as standing committees, an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

AUDIT COMMITTEE

The current members of the Audit Committee are Messrs. Sullivan, Bachmann and Pattarozzi. Mr. Sullivan serves as chairman of the committee. The Audit Committee met eight times during 2002.

The Audit Committee is primarily responsible for assisting the Board in fulfilling its fiduciary duties to our stockholders with respect to financial matters. The committee has oversight responsibility for our financial statements and the financial reporting process, our systems of internal accounting and financial controls and the annual independent audit of our financial statements.

All of the members of the Audit Committee are independent in accordance with the existing and proposed audit committee requirements of the New York Stock Exchange and any other applicable legal and regulatory requirements.

COMPENSATION COMMITTEE

The current members of the Compensation Committee are Messrs. Sullivan, Bachmann and Pattarozzi, with Mr. Pattarozzi serving as chairman. The Compensation Committee met once during 2002. The committee establishes the compensation of our Chief Executive Officer and administers our Management Incentive Program and stock incentive plans.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The Board formed the Nominating and Corporate Governance Committee in February 2003. The current members of the committee are Messrs. Sullivan, Bachmann and Pattarozzi. Mr. Bachmann serves as the committee's chairman.

The Nominating and Corporate Governance Committee assists the Board in identifying qualified individuals to become directors, determining the composition of the Board and its committees, monitoring a process to assess Board effectiveness and developing and implementing our corporate governance guidelines.

The committee's responsibility to identify and recommend individuals to serve as directors is subject to First Reserve's right to appoint two individuals to the Board under the stockholders' agreement described in "Certain Relationships and Related Transactions."

DIRECTOR COMPENSATION

In order to closely align the outside directors' compensation with the financial interests of our stockholders, a significant portion of their compensation is paid in equity. Newly appointed directors receive a one-time option to purchase 20,000 shares of our common stock. In addition, each outside director receives an option to purchase 5,000 shares of our common stock on the day following our annual stockholders' meeting.

Our outside directors also receive cash compensation of \$15,000 a year, and committee chairmen receive additional cash compensation of \$5,000 for their service to the committee. These amounts are paid in equal monthly installments. Directors receive a \$1,000 fee for each Board meeting and the first three committee meetings attended. After a director has attended three committee meetings, he receives a \$2,000 fee for each subsequent committee meeting.

Mr. Hall does not receive any special compensation for his service as a director. All directors are reimbursed for reasonable expenses incurred in attending Board and committee meetings.

AUDIT COMMITTEE REPORT

The Audit Committee is comprised of Messrs. Sullivan as Chairman, Bachmann and Pattarozzi. Each of these individuals meet the existing and proposed independence requirements of the New York Stock Exchange, as well as any other applicable legal and regulatory requirements. The duties and responsibilities of the Audit Committee are set forth in its written charter adopted by the Board. The committee reassesses its charter as conditions dictate, but in no event less than once a year, and updates it in order to comply with the rules of the New York Stock Exchange and any other applicable legal and regulatory requirements.

The Audit Committee reviewed and discussed our financial statements with management, which is primarily responsible for preparing the statements, and our independent auditors, KPMG LLP, who are responsible for expressing an opinion on the conformity of the financial statements with generally accepted accounting principles. The committee also discussed with KPMG the matters required to be discussed by Statement on Auditing Standards No. 61, and has reviewed KPMG's independence. As part of the committee's review of KPMG's independence, it received and discussed the written disclosures and the letter from KPMG required by Independence Standards Board Statement No. 1. The Audit Committee has also considered whether KPMG's provision of non-audit services to us, which are described below, was compatible with its independence. The committee has concluded that it is.

Based on its reviews and discussions with management and KPMG, the Audit Committee recommended to the Board, and the Board has approved, that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2002 for filing with the Securities and Exchange Commission.

FEES PAID TO INDEPENDENT AUDITORS

AUDIT FEES

The aggregate fees billed by KPMG for professional services rendered for the audits of our annual financial statements for the year ended December 31, 2002 and for the reviews of the financial statements included in our Quarterly Reports on Form 10-Q for that year were \$225,000.

ALL OTHER FEES

The aggregate fees billed by KPMG for other services rendered to us in 2002 were \$424,040, including fees for audit related services of \$46,000 and fees for non-audit services of \$378,040. Audit related services generally include

issuances of letters to underwriters, audits of financial statements of employee benefit plans, review of registration statements and related consent issuances.

KPMG did not perform any financial information systems design and implementation services for us in 2002.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee, which is chaired by Mr. Pattarozzi and also comprised of Messrs. Sullivan and Bachmann, provides overall guidance to the Board with respect to executive compensation programs, administers our Management Incentive Plan and stock incentive plans. The overall goal of the committee is to align compensation of our employees with our performance, and to attract, retain and reward executive officers and employees whose contributions are critical to our long-term success.

The Compensation Committee makes recommendations to the Board regarding the compensation of Mr. Hall, our Chief Executive Officer. Mr. Hall does not participate in these discussions or in the making of recommendations by the committee of his compensation. The Board must approve all compensation actions regarding Mr. Hall. The Board approved all transactions which were recommended by the Compensation Committee related to Mr. Hall's compensation for 2002.

Our executive compensation policy seeks to ensure that the base and cash bonus compensation of our executive officers and other key employees are competitive with other similar size companies in the oilfield service industry while, internally, being fair and discriminating on the basis of individual performance. Annual awards of stock options are intended to retain executives and key employees and to motivate them to improve our long-term stock market performance.

BASE SALARY

In establishing base cash compensation for our executives, we target the median cash compensation of our competitors for their executives having similar responsibilities. Base salaries of our executives have historically been set at or below the median, so that bonuses generally will constitute a larger portion of cash compensation. Executive base salaries are reviewed annually, based on each executive's performance, the competitiveness of the executive's base salary compared to the external market, our financial results and overall industry conditions.

CASH INCENTIVE BONUSES

The Compensation Committee administers the Management Incentive Plan, which was adopted in 1999. The incentive plan seeks to advance our interests by providing an annual cash incentive bonus to be paid to executive officers and other key employees based upon our performance during the calendar year. The committee establishes a formula to be used to determine the size of a bonus pool for each year based upon our earnings before interest expense, taxes, depreciation and amortization (EBITDA). The committee also determines the target bonus to be awarded to each executive officer that it has designated as a participant in the incentive plan at different levels of EBITDA and the Chief Executive Officer determines the other amount to be distributed to each other participant. Target bonuses are determined considering the Chief Executive Officer's recommendation for executive officers other than himself. In its and his discretion, both the Compensation Committee and Chief Executive Officer may determine to revise the EBITDA level or award either more or less than the amount originally targeted at the beginning of the year for any employee.

LONG-TERM INCENTIVE COMPENSATION

Consistent with our compensation philosophy, the Compensation Committee believes that stock ownership and stock-based incentive awards are the best way to align the interests of our executives with those of our stockholders. The committee has established a policy of awarding stock options each year based on competitive practices, our continuing financial progress and the individual's performance. All stock option awards are made with option exercise prices equal to the fair market value of the underlying stock at the time of grant. Holders of stock option awards benefit only when and to the extent that our stock price increases after the option grant. In 2002, the Compensation Committee approved annual stock option grants to executive officers and other key employees, as recommended by the Chief Executive

Officer. Option awards were made to 190 employees and executives and covered approximately 595,841 shares of underlying common stock.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

Components of our Chief Executive Officer's compensation for 2002 included base salary and participation in the Management Incentive Plan.

Mr. Hall's base salary for 2002 was \$450,000. His base salary was increased in July 2001 after considering various factors, including his expertise and performance and the extent to which his total compensation package is at risk under our incentive plan and stock option plans. Mr. Hall also earned a cash incentive bonus in the amount of \$300,000 in recognition of his outstanding leadership during 2002. Mr. Hall did not receive any stock options in 2002.

The Compensation Committee believes that the total compensation package provided to Mr. Hall is fair and reasonable based on the competitive market in which we conduct our business and his overall contribution to our success.

POLICY REGARDING SECTION 162(m) OF THE INTERNAL REVENUE CODE

Section 162(m) of the Internal Revenue Code generally limits our ability to take a federal income tax deduction for compensation paid to our Chief Executive Officer and other executive officers in excess of \$1 million, except for qualified performance-based compensation. The stock options we grant have been structured to qualify as performance-based and are so not subject to this deduction limitation. While the Compensation Committee will seek to utilize deductible forms of compensation to the extent practicable, it does not believe that compensation decisions should be made solely to maintain the deductibility of compensation for federal income tax purposes.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2002, the Compensation Committee was composed entirely of outside, non-employee directors and none of our executive officers served as a director or member of the compensation committee of another entity whose executive officers served on the Board.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In connection with the acquisition of Cardinal Holding Corp. in July 1999, we entered into a stockholders' agreement with First Reserve Fund VII, Limited Partnership, and First Reserve Fund VIII, L.P. Under the agreement, the First Reserve funds are now entitled to designate two members to the Board as long as they beneficially and collectively own at least 5% of our voting power. In addition, the stockholders' agreement prevents the First Reserve funds from: (i) acquiring additional equity securities in an amount that would result in the funds obtaining beneficial ownership of more than an additional 10% of the outstanding shares of any class of our equity securities; (ii) disposing of any of our securities, except in limited circumstances primarily involving public sales; and (iii) facilitating a change of control.

Further in connection with the Cardinal acquisition, we entered into a registration rights agreement with the First Reserve funds. The First Reserve funds have the right to require us to file a registration statement under the Securities Act of 1933 so that they may sell at least 20% of the shares of common stock they own. We are not obligated to file more than one registration statement for the First Reserve funds during any twelve month period, and in no event are we obligated to make more than four registrations under the agreement. The First Reserve funds also have the right to include their shares in any other registration statement we file involving our common stock.

We provide well intervention, field management and other services to Energy Partners, Ltd. Mr. Bachmann is the Chief Executive Officer of Energy Partners. During 2002, we billed Energy Partners approximately \$4.0 million for

Industries, Ltd., Schlumberger Limited, Baker Hughes Incorporated, Halliburton Company and Weatherford International Ltd. We made this change because we believe that investors are increasingly comparing investment alternatives among us and the companies presented in the Self-Determined Peer Group.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

A representative of KPMG LLP, our independent auditor for the fiscal year ended December 31, 2002, is expected to attend the annual meeting. The representative will have an opportunity to make a statement if he wishes to do so, and will be available to respond to questions.

2004 STOCKHOLDER NOMINATIONS AND PROPOSALS

Our Bylaws require that stockholders who wish to make a nomination for the election of a director or to bring any other matter before a meeting of the stockholders must give written notice of their intent to our Secretary not more than 270 days and not less than 120 days in advance of the first anniversary of the preceding year's annual meeting of stockholders. For our 2004 annual meeting, a stockholder's notice must be received by our Secretary on or after August 23, 2003, but on or before January 20, 2004. We urge our stockholders to send their proposals by certified mail, return receipt requested.
