SESI, L.L.C.

Section 18-108 of the Delaware Limited Liability Company Act empowers a Delaware limited liability company to indemnify and hold harmless any member or manager or other person from and against any and all claims and demands whatsoever. Section 4.5 of SESI's Limited Liability Agreement states:

Indemnification of the Member. Except to the extent such indemnification may be prohibited by law, the Company, its receiver, or its trustee shall indemnify, hold harmless, and pay all judgments and claims against the Member relating to any liability or damage incurred or suffered by any person by reason of any act performed or omitted to be performed (but not constituting willful misconduct, an intentional violation of this Agreement or gross negligence) by the Member or its agents or employees in connection with the Company's business, including reasonable attorney's fees incurred by the Member in connection with the defense or any claim or action based on any such act or omission. Such liability or damage caused by the Member's acts or omissions in connection with the business of the Company includes but is not limited to any reasonable attorney's fees incurred by the Member in connection with the defense of any action based on such acts or omissions, which attorney's fees may be paid as incurred.

SUPERIOR ENERGY SERVICES, INC.

Our certificate of incorporation contains provisions eliminating the personal liability of our directors and stockholders for monetary damages for breaches of their fiduciary duties as directors to the fullest extent permitted by the Delaware General Corporation Law (the "DGCL"). By virtue of these provisions, under current Delaware law a director of the Company will not be personally liable for monetary damages for a breach of his or her fiduciary duty except for liability for (a) a breach of his or her duty of loyalty to the Company or to its stockholders, (b) acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (c) dividends or stock repurchases or redemptions that are unlawful under Delaware law and (d) any transaction from which he or she receives an improper personal benefit. In addition, our certificate of incorporation provides that if Delaware law is amended to authorize the further elimination or limitation of the liability of a director, then the liability of the directors shall be eliminated or limited to the fullest extent permitted by Delaware law, as amended. These provisions pertain only to breaches of duty by directors as directors and not in any other corporate capacity, such as officers, and limit liability only for breaches of fiduciary duties under Delaware corporate law and not for violations of other laws such as the federal securities laws.

Our certificate of incorporation also requires us to indemnify our directors, officers, employees and agents to the fullest extent permitted by the DGCL against certain expenses and costs, judgments, settlements and fines incurred in the defense of any claim, including any claim brought by or in the right of the Company, to which they were made parties by reason of being or having been directors, officers, employees and agents.

Under Section 9 of our by-laws, we are required to defend and indemnify each person who is involved in any threatened or actual claim, action or proceeding by reason of the fact that such person is or was a director or officer or serving in a similar position with respect to another entity at our request if (a) the director or officer is successful in defending the claim on its merits or otherwise or (b) the director or officer meets the standard of conduct described in Section 9 of our by-laws. However, the director or officer is not entitled to indemnification if (i) the claim is brought by the director or officer against us or (ii) the claim is brought by the director or officer as a derivative action by us or in our right, and the action has not been authorized by our board of directors. The rights conferred by Section 9 of our by-laws are contractual rights and include the right to be paid expenses incurred in defending the action, suit or proceeding in advance of its final disposition.

In addition, we have entered into an indemnity agreement with each of our directors and certain key executive officers, pursuant to which we have agreed under certain circumstances to purchase and maintain directors' and officers' liability insurance. The agreements also provide that we will indemnify the directors or officers, as applicable, against any costs and expenses, judgments, settlements and fines incurred in connection with any claim involving them by reason of their position as a director or officer, as applicable, that are in excess of the coverage provided by such insurance (provided that the director or officer meets certain standards of conduct). Under the indemnity agreements, we are not required to purchase and maintain directors' and officers' liability insurance if our board of directors unanimously determines in good faith that there is insufficient benefit to us from the insurance.

### ITEM 17.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement;

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

## Table of Contents

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however*, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the registration statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each

filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Re: Post Effective Amendment No. 1 to Registration Statement 333-142532

Ladies and Gentlemen:

We have acted as your counsel in connection with the preparation of Post Effective Amendment No. 1 (the "Amendment") to Registration Statement No. 333-142532 (the "Registration Statement") filed by Superior Energy Services, Inc. ("Parent"), SESI, L.L.C. (the "Company") and the other registrants named therein, with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended, for the purpose of adding Advanced Oilwell Services, Inc., a wholly-owned subsidiary of the Company ("AOS"), as a co-registrant thereunder in connection with the guarantee by AOS of the Company's 1.50% Senior Exchangeable Notes due 2026 (the "Notes").

The Notes were issued under an Indenture (the "Indenture") dated as of December 12, 2006 among the Company, Parent, the other guarantors named therein and the Bank of New York Trust Company, N.A., as trustee (the "Trustee"). The Company, Parent, AOS, the other guarantors named therein and the Trustee entered into a Supplemental Indenture (the "Supplemental Indenture") dated as of September 13, 2007 to amend the Indenture to add AOS as a Subsidiary Guarantor (as defined in the Indenture) with respect to the Notes.

In so acting, we have examined originals, or photostatic or certified copies of the Amendment, the Registration Statement, the Indenture, the Supplemental Indenture, the Notes and such records of the Company and AOS, and such other documents as we have deemed relevant. In connection with this opinion, we have assumed that the Amendment, and any subsequent amendments to the Registration Statement (including post-effective amendments), will have become effective and the Notes were issued and sold in compliance with applicable federal and state securities laws.

For purposes of expressing the opinion hereinafter set forth, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified or photostatic copies and the authenticity of the originals of such documents.

Based upon the foregoing, and subject to the qualifications stated herein, we are of the opinion that the guarantee of AOS is the valid, legal and binding obligation of AOS, subject to (1) bankruptcy, insolvency, reorganization, fraudulent transfer, fraudulent conveyance, moratorium and other similar laws of general application affecting the rights and remedies of creditors generally and (2) general principles of equity, regardless of whether applied in a proceeding in equity or at law.

The opinions expressed above are limited in all respects to the present laws of the State of Louisiana, the State of Texas, the State of New York, the General Corporation Law of the State of Delaware and present federal laws. We express no opinion as to the laws of any other jurisdiction.

We consent to the filing of this opinion as an exhibit to the Amendment. In giving this consent, we do not admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act of 1933, as amended, or the general rules and regulations of the Commission promulgated thereunder.

Very truly yours,

/s/ JONES, WALKER, WAECHTER, POITEVENT, CARRÈRE & DENÈGRE, L.L.P.
