Dear Mr. Taylor:

additional comments.

have addressed in our comments. Where indicated, we think you should revise your document in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your

disclosure. After reviewing this information, we may raise

We have limited our review of your filing to those issues we

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or on any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Form S-4 filed August 16, 2006

1. We note that you are registering the new notes in reliance on the staff's position enunciated in Exxon Capital Holdings Corporation (available April 13, 1989), Morgan Stanley & Co. Incorporated (available June 5, 1991) regarding resales, and Shearman & Sterling (available July 2, 1993) with respect to the participation of broker-dealers. Accordingly, with the next amendment, please provide a supplemental letter to the staff stating that the issuer is registering the exchange offer in reliance on the staff's position in such letters and including the statements and representations substantially in the form set forth in the Morgan Stanley and

response.

Shearman

2. Please revise to incorporate by reference the Form 10-Q for the

& Sterling letters. We may comment further upon reviewing your

period ended March 31, 2006.

Exhibit 5.1

4. Please obtain an opinion of counsel that opines on all applicable

law. The attempt to limit the opinion to the laws of Louisiana appears to be inappropriate given that the issuer of the senior notes

is incorporated in Delaware, the indentures is governed by New York

law, and some of the guarantees are governed by the laws of Texas and $% \left(1\right) =\left(1\right) \left(1\right) +\left(1\right) \left(1\right) \left(1\right) +\left(1\right) \left(1\right) \left($

Closing Comments

As appropriate, please amend your registration statement in response to these comments. You may wish to provide us with marked

copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may

have additional comments after reviewing your amendment and responses

to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing

includes all information required under the Securities Act of 1933 and

that they have provided all information investors require for an informed investment decision. Since the company and its management

are in possession of all facts relating to a company`s disclosure, they are responsible for the accuracy and adequacy of the disclosures

they have made.

Notwithstanding our comments, in the event the company requests acceleration of the effective date of the pending registration statement, it should furnish a letter, at the time of such request, acknowledging that:

- ? should the Commission or the staff, acting pursuant to delegated authority, declare the filing effective, it does not foreclose the Commission from taking any action with respect to the filing;
- ? the action of the Commission or the staff, acting pursuant to delegated authority, in declaring the filing effective, does not relieve the company from its full responsibility for the adequacy and accuracy of the disclosure in the filing; and
- ? the company may not assert staff comments and the declaration of effectiveness as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in connection with our review of your filing or in response to our comments on your filing.

We will consider a written request for acceleration of the

effective date of the registration statement as a confirmation of the fact that those requesting acceleration are aware of their respective responsibilities under the Securities Act of 1933 and the Securities Exchange Act of 1934 as they relate to the proposed public offering of the securities specified in the above registration statement. We will act on the request and, pursuant to delegated authority, grant acceleration of the effective date.

We direct your attention to Rules 460 and 461 regarding requesting acceleration of a registration statement. Please allow adequate time after the filing of any amendment for further review before submitting a request for acceleration. Please provide this request at least two business days in advance of the requested effective date.

Please contact Carmen Moncada-Terry at (202) 551-3687 or, in her absence, the undersigned, at (202) 551-3740 with any questions. Sincerely,

H. Roger Schwall
